

Are you a civil servant in the Middle East and Northern Africa (MENA) region? If so, please register for a professional development training course on

Local Governance

Who is the course for?

We invite civil servants who are ambitious about professionalising their public services in Local Governance to register for this training course. This is a unique opportunity to share your knowledge and skills with other participants and be inspired by colleagues abroad.

This training course is for civil servants in the target countries of Algeria, Egypt, Iraq, Jordan, Lebanon, Libya, Mauritania, Morocco, Oman, Palestinian Territories and Tunisia.

To register, you must have between 5 to 10 years of relevant work experience in the field of local governance. Since this is a once in a lifetime experience, you can only participate in a Shiraka training once, and only if you have not previously participated in another Shiraka training programme.

Since we value diversity among our participants, we encourage women to take part.

This training programme is part of the 'Shiraka' training programme, an initiative of the Ministry of Foreign Affairs. Shiraka aims to strengthen and improve bilateral relations between the Netherlands and the MENA region in the public sector and offers an opportunity to improve public services through reciprocal inspiration.
